Daisy's Corner

Well, we're off to a great start for 2009! Our Smile Factory is really picking up speed and the basic class will be graduating in February! This month, they will be performing at the Woodcliff Manor Nursing Home in Montvale for their dress rehearsal. The residents there couldn't be more excited! Auntie Ray-Ray has been busy speaking with more wonderful entertainers and setting them up to meet you and share their experience and Squiggles started our New Smile Factory Newsletter! Hooray!!

My pledge to you is more: volunteer opportunities, hands on learning, popcorn and movie nights at Daisy's place. We hope you will consider becoming a WCA OR COAI member. You will get lots more information and may even see the Smile Factory in an article! Oops.. did I spill a secret?

Share your smiles and your heart with others! Call us for any help. An alley is only as strong as it's members. This is your alley! Your input and participation in all the fun will keep it strong!
Yours with a smile,
Daisy
